ROOTED IN PURPOSE | RISING IN IMPACT

Since the advent of the public health system in the United States, Illinois Community Health Centers (CHCs) have been rooted in values such as community, service and compassion. Though these ideas are virtuous, they alone do not capture the full scope of the CHC mission.

Purpose alone is not enough. Now is the time to rise and expand services and outreach, strengthen advocacy and shape policies. Beyond doing more, reach further, and make a lasting impact.

We invite you to IPHCA's largest event of the year, its Annual Leadership Conference, being held October 22-24 in Saint Louis, Missouri. The 2025 sponsor and exhibitor packages offer businesses of all sizes the opportunity to build brand awareness by showcasing your solutions and services to more than 600 attendees.

Join us this year at the Annual Leadership Conference by staying rooted in our purpose and rising in impact.

Cheers!
The IPHCA Team

The background of the entire page is composed of several overlapping, wavy, horizontal bands of different shades of teal and blue. The waves flow from the top left towards the bottom right, creating a sense of movement and depth. The colors range from a light, airy blue to a deeper, more saturated teal.
